

THE POWER TO SIT, STAND & RECLINE AT THE TOUCH OF A BUTTON.

The Luxury Lift Powered Recliner combines exclusive patented IMG technology with unsurpassed comfort. It offers you reliability and convenience in the safest and most easily operated lift recliner on the market.

## BENEFITS

### EXCLUSIVE TECHNOLOGY

A patented design keeps the chair base stable as the seat and the back are raised for greater stability and superior ergonomic support.

### EASY OPERATION

Large, hand-held control with oversized buttons allows you to select lift, recline, and return to home position effortlessly.

### CONVENIENT FEATURES

Side pocket storage keeps the hand control always within reach. Pocket storage offers also room for books and magazines.

### BATTERY BACKUP

All chairs come with battery backup SMPS transformer allowing user to exit chair even when there is a power outage.

### ADJUSTABLE HEAD AND NECK SUPPORT.

Exclusive adjustment system that allows your head and neck to rest in an infinite number of comfort positions. It can easily be adjusted by a handgrip.

**COLD-CURE MOLDED FOAM.** This space-age material encases the interior steel frame and sinuous springs, allowing for body-friendly curvatures to be covered with glove-fitted upholstery. This guarantees absolute comfort and durability.

**2 DISTINCT SIZES AVAILABLE – WITH THE SAME DESIGN.** All IMG relaxers are available in two different sizes to assure a perfect fit for your comfort requirements. LF & LFS Layton is available with chaise (214-314).

**NORWEGIAN QUALITY.** All IMG products meet the highest quality standards. The construction is based on a hard wood and steel frame with IMG's unique molded foam.

### WARRANTY

- 10 years on molded foam cushions and steel frames
- 5 years on mechanisms
- 2 years on motor and battery-parts
- 2 years on leather and fabric covers

DESIGNED IN NORWAY
